## GLOBAL MISSIONS SERVICE

Dale and Brenda Austin have always had a heart for missions. In 2019, they went to the country of Namibia as Associates In Missions to work with the Ikerds. They served in various capacities that included preaching, as well as teaching the GATS curriculum in several locations around the country. After much prayer and counsel, they went to South Africa in December 2019. Since their arrival there, they have been involved in pastoring a church in Vanderbijlpark, a city in the industrial hub of the Gauteng province. From there they have launched out to minister in various capacities and events throughout the country. In 2021, they were promoted to Associate Missionary status, and in May 2023 they were appointed as Intermediate Missionaries to South Africa.
