New Zealand

Brandon and Mollie received their appointment to New Zealand in 2015 and arrived in Hamilton in 2017. They have pastored the church in Hamilton, as well as established a preaching point in the city of Tauranga. Brandon serves as the president of Apostolic Bible College of New Zealand. In 2020 they had twenty-two students and graduated twenty with a certificate degree and one from the intermediate degree program. Mollie is extensively involved in the local church in music, ladies ministry, and hospitality. Upon their return, they plan to build the Bible school into a full-time school and further establish the work in Tauranga.
