

Luke and Samantha **CAMPBELL** *Costa Rica*

GLOBAL MISSIONS SERVICE

The Campbells received their missionary appointment to Costa Rica in 2016. Arriving in San José in 2018, they immediately got involved in ministry. Luke preaches and ministers on a weekly basis, works with the National Board to ensure the needs of the work are fulfilled, and is heavily involved in new church construction projects. He is also the Director of Global Campus Ministries for Central America and the Caribbean. Samantha is the national Sunday school director, is greatly involved with the Ladies Ministry team, and works with the National Network of Prayer for Costa Rica. When returning to the field they will be working at the Bible school and providing training seminars for the students. Costa Rica is experiencing great revival with seeing church growth, souls being baptized in Jesus Name, and people being filled with the gift of the Holy Ghost on a weekly basis. To God be the glory!
