Receiving full missionary appointment in 2010, the Cooneys served as pastoral furlough replacements in Vienna, Austria, from 2011 to 2012. They served in Northern Ireland from 2014-2022, pastoring one church and planting a new one in the city of Belfast. In 2022 they transitioned to France where they are planting a church in the city of Lyon, the second largest city behind Paris.

In all their years in ministry and evangelizing throughout the UK, Ireland, Europe, the United States, and many other countries, thousands have been baptized, filled with the Holy Ghost, healed, and set free.
