James & Elizabeth Corbin

Bangladesh and India

The Corbins have served in Bangladesh now for over twenty-five years. They have seen the UPC of Bangladesh grow from five people in their apartment building to over 25,000 believers, 119+ churches and a powerful and anointed ministry team all over the nation of Bangladesh. They have been instrumental in establishing the UPC of Bangladesh, the Rev. Guy E. Roam Memorial School of Evangelism (Bible school) and have recruited other missionaries to minister throughout Bangladesh and Asia. The Corbins are looking forward to assisting with the permanent building of the Bible school in Bangladesh with one hundred fulltime students and casting the vision for a million soul revival in Bangladesh.
