GLOBAL MISSIONS SERVICE

Daniel and Christine, with their two children, are missionaries to the country of Romania and are both fluent in the Romanian language. They pastor the headquarters church in Bucharest and evangelize throughout the country of Romania. Christine is an anointed music leader and children's ministry coordinator, and Daniel is the coordinator of European Youth Ministries Commission. When returning to the field, their vision is to see the number of churches and preaching points double while ministering in the newly founded Bible school.
