## Charles & Stacey Robinette International Evangelist

Charles and Stacey began their Global Missions ministry with AIM and military ministries assignments in Germany, Belgium and Switzerland, from 1994 to 2002. They received full missionary appointment in 2004, when they were appointed to Austria, Switzerland, Germany and Liechtenstein. The Robinettes have served as pastor of The Church of Acts in Vienna, Austria, for the last ten years, and as the General Superintendent of the German Speaking Nations for the last eight years.

The Lord has given them great favor with the Muslim communities across the German Speaking Nations, and around 150 people of Islamic backgrounds have been baptized and filled with the Holy Ghost since mid-2016. God has also opened doors amongst Trinitarian churches. There have been about fifty Trinitarian pastors and ministers who have been Holy Ghost filled and baptized in Jesus' name.

Their appointment has changed to International Evangelist and they will be used across the globe.
