WORLDWIDE REVIVAL

After serving as AIMers in Haiti, Monte and Dianne were appointed career missionaries to El Salvador in 1986. They now serve as interregional missionary evangelists and also as the International Coordinators of Global Campus Ministries. As missionary evangelists, they offer a variety of seminars on church growth, teaching on every aspect of evangelism and discipleship. They help organize crusades and have helped national works develop Bible school programs. They teach annually at Harvest Bible School in Glasgow, Scotland, as well as in other Bible schools.
