Craig & Lyna

Sully

**Senegal/French West
Africa**

After serving on the AIM program, the Sullys received their first missionary appointment to Nigeria in 1991. In 1999 they moved to Burkina Faso. In 2004 they returned to New Brunswick and pastored. In 2012 the Sullys were reappointed to Senegal/French West Africa. Arriving in Dakar on Christmas Eve 2016, they began their work in this nation. Upon their arrival there were no churches or church members. In 2017 they opened their first church and the following year the second preaching point opened. Lyna is greatly involved with children's ministry teaching Sunday School and leading several "Club de Vacances" (VBS) each summer.

Including nations where they have lived, the Sullys have opened or been involved in the opening stages of churches in eight African countries.
