

Global Missions Service

Date: _____

Dennis and Amy Uecker

Dennis and Amy Uecker were both raised on the mission field; Dennis in home missions churches in South Dakota, and Amy in the foreign mission field of El Salvador. They ministered in several countries while participating in short-term missions before receiving full-time appointment to Latvia in 2015. Their ministry has involved teaching, music, pastoring, Bible school administration, campus ministry, church planting and evangelism. Their primary focus is the development and administration of a missions training center in honor of Rev. Robert K. Rodenbush, from which students are sent out to start churches and minister in other cities and countries. In 2022, the Uecker's appointment was changed to Regional Teacher, and they are now conducting and coordinating missions training from Barcelona, Spain.
