Biography

Since 2007, James and Mary Catherine Beek have been involved in mission work. They have served in various roles at the local, district, and national levels, including the national youth director and district music coordinator. Both are graduates of Harvest Bible College and are currently overseeing internships and teaching, as well as overseeing the work at New Life Church in Glasgow, Scotland. Over the last few years, they have established three preaching points, including one in the city of Perth and another in Hamilton outside Glasgow, as well as a Spanish-language ministry that has grown to over seventy-two constituents in the past two years due to training and development. The Beeks are excited about a new opportunity to lead a weekly Bible study online in the Channel Islands. They remain committed to training and developing new ministers and reaching unchurched areas. They plan to base their work out of Glasgow upon returning to the field.
