## **Biography**

Sister Kim was appointed a career missionary to South Korea in 1991, although she had been working there as an AIMer since 1985. She has started three new churches, helped to start two churches and has trained over twenty-two young men and women to be ministers of the gospel. Those ministers are pastoring churches and or serving as assistant pastors. Three of the students have started new churches which they are now pastoring.

Sister Kim has served as the interpreter for all of South Korea’s camp meetings, seminars and general conferences. She has also won to the Lord the entire seventeen members of her family in Korea.

She conducts the pastors and wives seminars to unite the Korean brethren. She is a general board member of the UPCK, a member of the Board of Trustees and president of the Bible school. She also works with the Filipino UPC church in Seoul and preaches for them once a month. A new Filipino church is being started in the city of Hwasun. Her future goal is to strengthen the Bible school so that they will have many, many students working for the Lord in Korea.
