Biography

In 1978, the Ritchie's were appointed full-time missionaries to the Windward Islands; later, French Guiana was added to their duties. Being the pioneer missionaries to this area, their first term was spent starting churches on the islands of St. Lucia, Dominica, St. Vincent, Barbados, Grenada, Guadeloupe, and Martinique. Subsequent terms have been dedicated to the development of these works through Bible school, Sunday school, and evangelism. They pastor the headquarters church in Fort-de-France, Martinique, and Brother Ritchie serves as the field superintendent of the UPCI of the Windward Islands.
