Biography

Brad Schreckhise was raised in Honduras as an MK and both of their children were born and have been raised in Honduras as MKs. The Schreckhises received missionary appointment to Honduras in 1996. Brad served as the president (superintendent) of the UPCI of Honduras as well as the director of the Bible school. Lycia served as the national ladies director.

During their last term on the field, they had oversight of the sale of their campgrounds and the purchase of 4½ acres for the Bible school and Central Church. Under their leadership the church has grown in membership, and now there are over fifty established churches.

The Schreckhises have changed their field to the Dominican Republic and expect to see God move in a great way when they finish deputation and get back to the field.
