Biography

Before moving to Germany, Carl and Bethany, both UPCI-licensed ministers, pastored ten years in Hennepin, OK. During that time they also started a work in Stratford, OK. In the Oklahoma District Carl served in the Sunday School department and Bethany served in the Ladies' Ministries department. After three short-term missions trips to the German-speaking nations, the Sledges felt the Lord's direction for them to work full-time in Germany. In January 2017 they moved to Berlin and have lived there since. They were appointed intermediate missionaries in May 2019. During their two years in Berlin, they maintained the church in Berlin which was started by a previous missionary, as well as opening a church in Potsdam (southwest of Berlin) and starting a house church in Leipzig. Sis. Sledge completed training for and served as administrator of the Purpose Institute campus in northern Germany (Paderborn) where she and Bro. Sledge taught. Carl and Bethany taught in and supervised Apostolic Ministerial Training

Center campuses across Germany. Sis. Sledge serves as Prayer Coordinator for the German-speaking nations and is the Sunday School secretary.
