A Paz do Senhor!

- Since our previous newsletter we have continued on the deputation trail in the states of Washington, Wyoming, Oklahoma, Arkansas, Tennessee, Alabama, and have officially ended deputation in Mississippi! During General Conference in Indianapolis, Indiana, we received the news that because of the record-breaking I AM GLOBAL offering, we are being sent home! Because of these amazing individuals, pastors, and churches, we will be on our way back to Brazil on November 1st!
- We are so proud of our church plants and leaders in São Paulo. In August a Bible School was started at our center church with 15 first-time students! God is so good and is building His Church!
- We thank God that several projects have received funding, including enough to buy a boat for evangelism in the Amazon and to purchase land and a building in the city of São Paulo! It will be over double the size of our current location that we are renting there with space for over 150 people and room for classrooms. We are negotiating and working through the details of that purchase if you could please keep that in your prayers!

We are so excited to be going HOME! We are grateful!
