

BELIZE

DANIEL AND ESTHER BECERRA

Praise the Lord! We are excited to share that we have received I AM Global during the General Conference Missions service. Our family is anticipating our return home! We want to thank all our Partners-In-Missions and everyone who has made this possible. We love and appreciate you. Thank you for praying for us and believing in the revival God has planned for Belize. Countless prayers have gone forth for this country throughout the years, and we believe in God for a great harvest!

SPECIAL PROJECTS

We will be traveling for a few more months to complete our projects.

- Churches (2107)
- Motorcycles (2405)
- Evangelism (2501)

If you would like to help with a project, we would greatly appreciate it. The evangelism project is our focus, as it will help launch new churches in unreached villages and cities. Once this project is complete we will be heading back to Belize.

We are grateful for your prayers and support. God bless you.

Love,
The Becerra Family
