GATS SEMINAR, PARAGUAY JULY 21-22

GATS - In Paraguay we had a tremendous Advanced Teachers Training Seminar. It was such a blessing to have the GATS team teachers led by Brother Steve and Sister Ivonne Nix, Brother Jerry Burns, and Brother Mike and Sister Julie McGhghy. The lessons were anointed and a great blessing to all. We are thankful for the forty-nine attendees.

We are thankful for the new church building in Puerto Rosario, Paraguay. Thank you Brothers Frank Hanby and Tommy Moody for this blessing and sacrifice!

ECUADOR NATIONAL CONFERENCE AUGUST 10-12

We are thankful for over 25,000 that gathered at the National Conference in Ecuador. There was great preaching by Pastor Josias and Sister Neva Limones. Pastor Michelll Bland preached a couple of awesome messages. Sister Danita Limones did some great interpreting. The Conference honored Pioneer Missionary Daniel Scott for his time as a missionary in this great work. It is obvious the love that Ecuador has for this great man of God. Thanking national President Rony Freire and the national board for their tremendous leadership. This conference was an incredible blessing to all that attended. I am glad I was there as their area coordinator.
