2023 Quarter 2 Newsletter

A look at this past Quarter

- Nine (9) received the Holy Ghost.
- Thirty (30) were baptized in Jesus' name!
- One student completed their training for the certificate level of the G.A.T.S. Bible School program.
- The Blackmon family left Guinea in April to prepare for their deputation travels.

For Easter, the churches near the capital city joined together for a joint service. God moved in a mighty way and the brothers and sisters enjoyed a great time of fellowship!

Thank you for your sacrifice of giving in prayer and finance. We are so thankful to be partnered with you to build the Kingdom of God globally!
