ON A MISSION

# Guinea, West Africa

2023 Third Quarter Newsletter

- We started our deputation travels this past May. Our travels are going great! We love meeting and connecting with new and faithful friends and partners along the way!
- Pastor Boimah has been working on the new church plant in N'Zerekore the second largest city in Guinea. Up until this year, this city did not have a UPCI church. Since their beginning in March, they've baptized 18 and 2 have been filled with the Holy Ghost. PRAISE THE LORD!

Please be in prayer for Guinea's national conference. It will take place October the 11<sup>th</sup> - 13<sup>th</sup>, 2023. We are believing God to do miracles, pour out His Spirit, and to take us to a deeper level in Him.

The Conference banner is pictured above. The theme is "Seeking Him."

We need to buy land and build a permanent building for the church in Conakry. The people have outgrown their current space and badly need their own land and building. \$95,000 is the cost to complete this.
