MISSIONARIES  
BRANDON & MOLLIE BORDERS

Greetings to all our friends and partners. God has been very good to us in this quarter. We have seen an increase in the local work in Tauranga. Though it is a small work at present we have seen over 50% increase in attendance this quarter. There have been multiple baptisms and wonderful testimonies of healing and deliverance. This is just the beginning of what God is going to do in this region of New Zealand.

We also welcomed a new AIMer, Sis. Brianna Kelso, to New Zealand. She has been a great blessing in many ways but her main area of emphasis is Sunday School. She has helped us launch a children's ministry at the church and this has made an immediate impact on the next generation. In many of our services we have as many children as adults. In a nation with extremely high addiction rates we are changing the lives of these children.
