NEW ZEALAND

MISSIONARIES
BRANDON & MOLLIE BORDERS

Greetings to all our friends and partners. We have been waiting for some time on a visa. The process has been long and we thank you for your prayers during the process. We rejoice to tell you that we have received a visa! But not only a visa, a better visa than we thought we could get. We now have a longer visa and a pathway to permanent residency. This is a great miracle and we thank God!

We received our visa in time to attend the National Conference in New Zealand. Many walked away saying it was the best conference they had ever been in. Approximately 500 saints came together and worshipped God. We had 20 graduates from our Bible School and several of them received their ministerial license as well. God is doing a work in NZ. Keep praying for us as we pray for you.
