

Brainos: French Press

4th quarter 2023

In September we attended the General Conference of the United Pentecostal Church International. We wish to honor Brother Howell for his years of service to Global Missions, and we look forward to serving with Brother Hunley in continued revival. What an exciting time to be involved in taking the Whole Gospel to the Whole World!

We have also gained a daughter! Our son Philippe and Tabbitha were married September 16, and we are thrilled to welcome her to the family!

It was a great honor to attend the French Summit held in Dakar, Senegal. We are excited about the future of the church in French speaking nations! This was held in conjunction with the first ever General Conference of the UPC of Senegal. It was inspiring to see how God is moving in this country.

Above, Marcus is providing a French translation for Brother Howell's message.

Congratulations to the fourteen graduates of IBF, our Bible school in France. We honor them for their commitment to their studies, and look forward to working with them for continued growth and revival!

In addition, we are rejoicing over the attendance at this year's 40th Youth Convention. 900 people representing fifteen nations were present, and fifteen received the baptism of the Holy-Ghost.

As we enter 2024, we pray prayers of thanksgiving and continued blessings for each of you! You make everything we do possible.

**Thank you,
Marcus and Renee Brainos**
