## Blessed & Highly Favored!

God has been so good! The year 2021 is ending on a note of victory, despite all the hardships and restrictions everyone has faced. Along with many other blessings we have received this year in our local church, Tabernáculo de Vida Madrid, we are rejoicing in the following:

- 59 were baptized in Jesus' name
- 30 received the Holy Ghost
- 153 1<sup>st</sup> - time visitors heard this great salvation message
- 42 Life Groups kept reaching people weekly
- 5 new Life Groups opened during the year

*Recent photo of full altars, incredible move of God where the whole sanctuary became an altar!! 7 received the Holy Ghost, 3 were baptized, and 33 reported notable healings!! #movingforwardinJesusname!*

## IPUE District 1 - Moving Forward!

As Superintendent of District 1, which covers all the city of Madrid and the Federal District of Madrid, we are so excited about growth and progress in the district. Year 2021 is ending with 31 established churches and nearly 50 licensed ministers in the district, with lots of exciting plans for more churches being planted in the year 2022.

*Recently hosted the 2021 National Minister's Conference, where God moved in a great way among the ministry – healing, restoring & renewing. 1 minister's child received the Holy Ghost! So enjoyed Rev. Bruce Howell being with us, our General Director of Global Missions.*
