- Carla and our young people singing in the train station in The Hague while we connect with people and give out church information
- Blessed to have our UPCI Global Missions Director minister at our annual Worldview Conference in October!
- We are in a season of EXPANSION! So many new people baptized and filled with the Holy Ghost! New Home Bible Studies! New leaders trained and empowered!
- Bible School is going great in Both Campuses.
- We are scheduled for deputation in March. Because of our immigration status we are only allowed to leave The Netherlands for a 6 month period. Please pray that our funds will be raised quickly.

MERRY CHRISTMAS from our Family!
