MISSIONARIES TO COSTA RICA

CAMPBELLS ON A MISSION

GATS

Costa Rica welcomed GATS in October 2022. We had an excellent training seminar and there was a mighty outpouring of the Holy Ghost.

GLOBAL COUNCIL

We were blessed to be part of the Global Council held in St. Louis, MO, this past November.

CHRISTMAS

We are so thankful that we got to spend Christmas with our family in Indiana.

BIBLE SCHOOL

It is with great excitement that we get to report that our Bible School reopened in January. After being closed for the pandemic we are thankful for what God is doing in our classes!

BAPTISMS

We rejoice for all the souls that are being baptized in Jesus name in Costa Rica!

GENERAL ASSEMBLY

In January Costa Rica had its National General Assembly, where they reelected the President and the Secretary of the work.

DEPUTATION

We are currently still raising our Partners in Missions (PIMS) and Project Funds to be able to return to the field. God is doing great things! We will be in a city near you soon!
