

# JAPAN UPDATE

## Glad to be back in the field!

We are so thankful for I AM GLOBAL! Because of your giving and partnering with us, we were able to complete our deputation travel in nine months...to God be the glory!

Exciting things are ahead for God's church in Japan! Please continue to pray with us for the following three things: laborers in this field, for the name of Jesus to be known in every city and town, and for a church to be established in each of the forty-seven prefectures in Japan. Thank you!
