

# UNITED PENTECOSTAL CHURCH OF BANGLADESH

Rev. James & Elizabeth Corbin

Dear Partners-In-Missions,

Praise the Lord. We greet you in the wonderful name of our Lord Jesus Christ and pray that this newsletter finds you blessed of the Lord. The Lord has been moving in a mighty way in Bangladesh and we give Him all of the honor and praise.

### ***Bangladesh Bible School fully functional***

After many years and much labor, we thank the Lord that we are finally on-campus on the UPC of Bangladesh's permanent Bible School, headquarters church and offices. What a blessing and a privilege to learn and teach the Word of God at this 100 residential student campus. Thank you for investing in souls for the kingdom of God through giving to this project financially and through prayers.

### ***Ten new preaching points in one year initiative launched***

Dhaka is a city of approximately twenty-two million residents in need of churches and multiple preaching points established among them. We have recently launched the initiative to start ten new preaching points that will become full-fledged churches. Currently there are three new preaching points already established since the launch of this initiative.

### ***Reverend Johnny and Ashlee Garcia family arrive***

We thank the Lord for the arrival of the Reverend Johnny and Ashlee Garcia family back in Bangladesh. They have been teaching at the Bible school, assisting with music and worship leading, and ministering in home meetings as well as the capitol city church. The Garcias will be working closely with the ministry team in Dhaka to help plant ten new preaching points and churches. Please join with us in prayer for this wonderful family and Bangladesh team members.

### ***Apostolic Conference launched***

The Apostolic Conference initiative has been launched in Bangladesh as we prepare for the conference, seminar, and workshop classes that will be held February 6-12, 2024. Participants from Bangladesh, India, Nepal and other nations within Asia will be attending for training on the Five-Fold Ministry and the Gifts of the Spirit. Join with us in prayer for a mighty move of the Holy Ghost and for the empowerment of the body of Christ during the Apostolic Conference.

Thank you for your partnership with the work of the Lord in Bangladesh and our family. Your partnership is indeed helping change the world in Jesus name.

May God richly bless you,

Rev. James & Elizabeth Corbin
