

The Cseh Family Missionaries to Hungary

4th Quarter, 2023

Greetings from the Cseh's from Hungary!

The months of July through September have been very exciting for us!

What a joy it is to be a part of kingdom service! As we write this update, our hearts are also thankful for each of you and the blessing of traveling this journey together.

In the month of July, with the EURO AIM program Sis. Julia Winkelaar arrived from Holland to Hungary for a month to help us with Sunday School.

In the Month of August, with the help of our Lord Jesus, we have finished up the Search for the Truth Bible study with brother Thomas and he received his Bible Study Certificate. Our hearts are rejoicing because Thomas is hungry for the Word of God and would like to continue to study the Bible. We have been continuing weekly Bible studies together and excited what the Lord will do in his life.

In the Month of September, we have continued our outreach and preached on the street in Budapest. God has opened the door to become a witness to many people, as we stirred up the spirits and told the truth to the people, some were mocking us others were receiving it but many heard it as we were sowing the seed and fishing for souls. My heart is heavy because so many souls in this nation and around the world need to hear and know the Truth, Jesus our savior. ² *Corinthians 3:14* But their minds were blinded: for until this day remaineth the same vail untaken away in the reading of the old testament; which vail is done away in Christ.¹⁵ But even unto this day, when Moses is read, the vail is upon their heart.¹⁶ Nevertheless when it shall turn to the Lord, the vail shall be taken away.

We are thankful for the hunger what the Lord has placed in the hearts of believers in Hungary. God has brought new visitors to the church services, and they were touched by God. We give the glory to Jesus for everything what's happening in the nation of Hungary! We are not alone in this journey; you are walking with us, and we feel this keenly. Thank you! We pray that as you read this newsletter, you feel the impact of your prayers, financial support, continual encouragement, and personal sacrifice that touches our lives and the lives of your brothers and sisters here in Hungary. May God bless you greatly. We love and appreciate you all.
