We're Back Home!

Praise God from the beautiful Country of Georgia (Sakartvelo)! We are so thankful to everyone who partnered with us, and to those who gave to I Am Global. Because of your giving, we have made it back home. God is already moving and strategically putting in order the things he wants done in these nations. Join us in prayer for a mighty outpouring of His Spirit.

During the last month, five people were baptized in the precious name of Jesus and one received the gift of the Holy Ghost. We are expecting great things to continue and many souls to be brought into the kingdom this term! We are settling back in and getting ready to begin language classes. We will be traveling to Armenia to minister in the next few weeks.

The church in Armenia has presented a need of new chairs. Prayerfully consider helping us purchase these chairs. You can give by sending or contacting Global Missions and giving to Project # 217860-2501 We are eternally grateful for all you do for the kingdom!
