~ Island-Hopping in Micronesia ~

AMP Thomas Family

You might remember that AMP **Jesse & Christy Thomas** (below, with a Palauan sister on the US mainland) are on deputation raising funds for their term in Saipan Island in the Marianas.

They hope to be onsite as early as April! Thank you for your prayers

for their protection and God's provision.

First Stop, Palau!

(above left and center) Our church families in Palau are finally enjoying post-COVID pandemic onsite church

midweek services again, and the vaccine mandates have been lifted, too! The above images are just a couple of the happy water baptisms **Pastors Rabor and Sharp** have both recently celebrated. Thank you for your prayers for the outpouring of the Holy Ghost in Palau!

Next Stop, Guam, USA!

(above right) **Will Eastham** (US Army) baptized his Bible study student, **Isaac Hernandez** (US Navy)!

Final Stop, Marshall Islands!

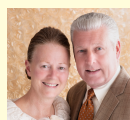

We recently met our I-Kirabati (eye *KEER uh bus*) **Aberaam Toube's** beautiful wife **Toiraiis** (dor *ICE*) for the first time in Majuro, the Marshall Islands (right). Unless he's off-island, the family conducts three (3) services

in their home each Sunday: one service for the I-Kirabati and two for the Marshallese! Thank you for praying for the Toube family!
