**AMP Jesse Thomas (Saipan):** "Praise the Lord for a fruitful deputation.

### \* THE MICRONESIA ISLANDS . . .

**Pastor Martin (Pohnpei State):** "We replaced the roof on our church that was ravaged by the 2014 super-typhoon. Once we rebuild it, we feel the church is already going to be too small!"

### \* GUAM, USA . . .

**Pastor Prieto:** "Sixteen from our church are attending MBI!"

**Pastor de Guzman:** "Eight so far this year have been baptized in Jesus' name!"

### \* THE MARSHALL ISLANDS . . .

**Pastor Toube (Majuro):** "We are currently holding two weekly services in our home, one for the Marshallese and one I-Kiribati."

## Micronesia Bible Institute

In February, we launched **MBI** (GATS curriculum) on **three campuses** with the first class, "Bible Introduction." The Pohnpei (FSM) and Airai (Palau) campuses conduct virtual classes on Fridays unless we're in their country. (This is yet another reason to

be grateful for the 2020 pandemic which forced us all to think outside the box.) Guam holds classes on Tuesdays. Presently we rejoice over potentially **SEVENTY+ MBI students** registered for the next class, "Acts."

**MISSIONARIES THOMAS ARRIVED!**  
We believe a great revival is God's perfect will in the Mariana Islands!

**GUAM MBI CAMPUS**  
At this writing, eighteen were registered for the first class and more plan to add to that number for the "Book of Acts" class.

**POHNPEI (MICRONESIA) CAMPUS**  
Sixteen students were registered for the first MBI class, and several plan to add to that number for the next class.
