

FOLLMER MISSIONS-SWEDEN

FORWARD IN FAITH

It is the country know for meatballs, vikings, kanelbullar (cinnamon rolls), and maybe most importantly Fika! Fika is defined as: A break to meet up for coffee, a treat, and a chat. What is there to not love about that? Our family has fallen in love with this nation! Not just with everything listed above, but with it's people! God is moving in this country and we are blessed to be a part of it, and want to share some of what has been happening in our corner of the world! Thank you for every prayer, contribution, and sacrifice. We truly could not be doing what we do without YOU!

So, come and take a look:

FAMILY

Alanna and Finlay are into their 2nd year of Swedish School! We were so blessed to find a Christian School for them to attend, as homeschooling is not allowed in Sweden. They have become almost fluent in Swedish and are now teaching us! Please continue to cover them in prayer. That they would be protected, and a light for Him! Please also keep our families Visa process in your prayers. We need His divine provision in this!

CHURCH

We were SO blessed to have the Burk family with us as AIMers for 3 months. Along with their 2 sons they helped with teaching, preaching, AV, Social media and so much more! We can't wait to have them back! Since August of last year we have seen over 30 first time visitors. We have had 2 baptisms and many lives touched. We have had to be online for several months due to restrictions. They are lifting, but please pray with us for the ability to meet freely, continued connections, and revival!

FUTURE

We have been assisting in the church in Stockholm since we arrived in Sweden. We have seen God moving there and are excited about what He continues to do. We currently live in the city of Uppsala. We have made many connections and open doors here. People are hungry for more of God and we believe He is using us here for such a time as this. Jenny has connected with a group of over 20 women who she joins for prayer, and they have started a bi-monthly prayer meeting IN the school!

Prayer Needs:

- Pray for the Lord to direct us in establishing new works and preaching points.
- Pray for favor in our visa process/situation.
- Pray for revival to truly break out in Sweden. God is moving and New Things are coming!
- Pray the we can establish an easier route for others to be able to come and work for the church in Sweden.
