

# Greetings from the Warm Heart of Africa... Malawi

## Deputation is finished!

After 2+ years of deputation, over 72,000 miles driven and nearly one year lost of deputation due to the global pandemic! The Gibbs Family is heading back to Malawi and we are full of expectancy for the revival that is before us!

All of this was made possible by the incredible generosity of every church that we were privileged to minister in and share our burden. We are blessed to be a part of an amazing fellowship!

### REVIVAL IN MALAWI CONTINUED EVEN DURING DEPUTATION

- 6,767 beautiful souls were baptized in Jesus Name
- 13,039 received the gift of the Holy Ghost
- 38 new church buildings were constructed
