

With love, From VANUATU

Peter & Robbie Gration
(Summer 2023)

Sunday School in Action

We are so blessed to see the way both children and Sunday school teachers are taking to the personalized curriculum. This has been a burden of ours for several years and has taken time to develop but is now bearing fruit.

Souls Saved

We have received so many wonderful reports.

7 people were baptised. All from the island of Tongoa. Looking forward to plant a church there soon.

This is an area of VANUATU we have yet to have contact in.

Bible College THANK YOU

A HUGE THANK YOU to everyone that has helped us continue to complete the Bible college. **Below Right** is one of the new classrooms being used for the first time.

Last week, a presbyter called from one of our new districts saying he had a Bible college candidate from an area they have been trying to reach into for years. This young man had just been baptised in Jesus Name!
