Bible College Graduation

Fourteen Diploma Students making the class of 2023, and more excitedly, eight received MINISTERIAL LICENSE, and 100% are involved in actively reaching the lost and helping their pastor disciple saints.

I was so touched when I saw this photo (*1st right*). The young sister was the one who witnessed this man and his family about four years ago bringing him to Salvation, and then here she is congratulating him as he graduates. You never know where your witness will lead!

The smiles
say it all 😊

Twenty-three NEWLY LICENSED MINISTERS!!!

Nothing quite says what has been happening as much as the fruit. We are so blessed as we see those who have served and grown in the Kingdom of God begin to grab their calling and go into the field. Active ministry is one of the core requirements for a license; what a testimony these new ministers are to the glory and grace of God.

THANK YOU ALL SO MUCH FOR ALL YOU DO
