

# CROATIAN CHRONICLES

## Radovan & Tanya Hajduk | Croatia & Slovenia

God has been reminding us of the invaluable support the members of the family of God give each other. Just a small act or word of encouragement, standing in the gap, being sensitive to the needs around you; we each have the power to change the course of someone's life as God leads us.

YOU are that support to us! We would not be able to reach souls here in Croatia without you. Together, we are seeing the course of people's lives changed for eternity!

We have been blessed tremendously through recent visits of friends and leadership. They have shown us love, care, spiritual guidance and their complete support. Don't underestimate the power of encouragement! Lift someone up! Thank you for your faithful support. May the blessings and favor of God be upon you.

"But I have prayed for you, that your faith may not fail. And when you have turned back, strengthen your brothers." Lk 22:32
