## 2021 Revival Report:

In this past year we continued to see a great outpouring of the Holy Ghost throughout the nation of Spain. We are thankful that 888 were baptized in the name of Jesus and 826 were filled with the gift of the Holy Ghost.

During 2021 we continued to have seven services each Sunday to accommodate the growth that God has given us in Barcelona. We are believing that we will be in our new building this year!

We held our first National Ministers Conference in December. We had a great attendance of 360 ministers and their families. Bro. Bruce Howell & Pastor Andrew Saurez were a great blessing to the United Pentecostal Church of Spain.
