HAVENS FOOTSTEPS

Spring 2023

Dear Supporters,

Let's start this newsletter with the greatest news we could possibly share. **Our 3 year old daughter received the Holy Ghost!** We have rejoiced watching as she begins her own personal relationship with Jesus. The other night, she was sitting on the floor struggling to put her socks on. She said, "God, can you help my put my socks on?" Her sock slipped right over her heel, and she exclaimed, "Thank you, God!" Not realizing we heard her, she told us what happened and said, "Do you see Jesus? He is sitting right here." as she pointed to the floor in front of her.

We have started a new season here in Latvia, naturally and spiritually. We have been through a lot of changes and loss, but now we believe God is setting the stage for the revival. We have been praying for a great revival and are confident that God is working in Latvia. We believe God is going to bring in families and create a stable base church in Riga.

Prayer points

- God would help us find a building for our services. Specifically one that is in our budget, in a good location, doesn't need a lot of remodeling, and that church members can get to easily.
- God would give us favor with the Latvian government and our paperwork would continue to be approved.
- We are in the middle of spiritual warfare. Please pray against the spirit of fear, every lying spirit, the spirit of pride, and against any spirit that would desire to bring harm, destruction, or division. Please pray for the love of God to be poured out, unity, peace, joy, humility, faith, and for the work to have complete dependence upon God.
- Pray for truth to prevail.

As always, we pray that God blesses you for your continued support!

We are thankful to be serving along with you in God's kingdom!
