San Salvador Children's Crusade

What an incredible children's event we held in El Salvador. Even with Covid restrictions, we had more than 150 children in attendance, and at least 50 visitors present. At the end of the day, we saw **56 children** filled with the gift of the Holy Ghost as well as a mom that came to service for the very first time, with her daughter.

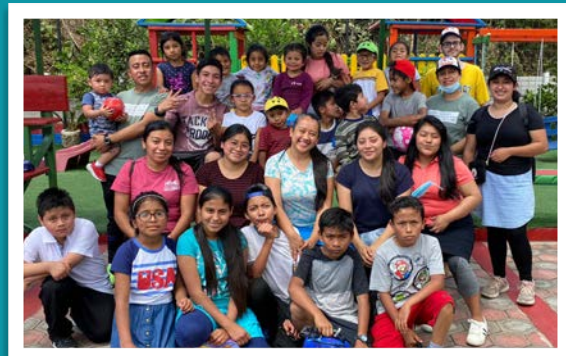

Teacher Training Seminar

It was so wonderful to be able to hold a regional event here in Guatemala, after 2 years of Covid restrictions. We had more than 40 pastors and Sunday School teachers who traveled as many as 5 hours each way, to attend the Seminar. Everyone left inspired and grateful for the presence of the Lord that they felt.

Our Children's H.O.M.E.

Thank you for your continued monthly support to our Children's Home. Every day we strive to show them that they are loved by the Lord and all of our staff. They are not alone. **Thank you** for helping to give them hope for tomorrow.
