

# Words From Wales

Kyle, Amanda, Isaac & Cooper Kelley

Cyfarchion i'n cyfeillion...(Greetings to our friends, in Welsh)

The work of God is going forward in Wales! We thank God for YOU, and for what He is continuing to do. We thank you for every prayer, text, card, and call. Since January, we have held service in a rented Seventh Day Adventist church. We are praying for God to establish the church here, build the foundation, and bring in faithful people.

The youth of the Apostolics of Swansea were all able to attend the National Youth Congress in London. One of our very own from AOS, Monseratt, received the gift of the Holy Ghost. We thank God for pouring out His Spirit in her life. Her brother received the Holy Ghost in one of our services also.

Our family was privileged to join with missionaries James and Harmony Pace, Emry and Silas and the church in Austria, for a marriage seminar weekend. We trust God strengthened and united the families' bonds. Targeting cities around the nation of Wales for prayer has been a focus for us. Wrexham, Newport, and Aberystwyth need churches and your prayers. Pray that the Lord will pour His Spirit out, draw people to Him, **and that labourers will answer the call.**

## Points of Prayer

- God would continue to lead us to key people.
- For continued direction in reaching Wales.
- For our boys, Isaac and Cooper. (Isaac graduates High School in a couple of weeks!!!!)
