“BREAKING THE CHAINS” IN THE NORDIC NATIONS

It is wonderful to see what God is doing in the Nordic Nations. The church in Norway has hosted the “Breaking the Chains” Conference for many years. This meeting is strictly inspiration, challenge and fellowship. Every year there are outstanding speakers. This year seemed to go to another dimension as 14 people received the Holy Ghost. One night service went from 6.30 p.m. until midnight, and folks weren’t anxious to leave. **GOD IS DOING GREAT AND MARVELOUS THINGS!**

We thank God for those who are laboring faithfully in the Baltic nations—Estonia, Latvia and Lithuania. We have begun joint quarterly prayer meetings for the ministers and saints. If you would like to join these times of prayer, please write to rkelly608@aol.com

We will be having a Baltic Conference on July 13-15. The theme is **TOGETHER**. Please be in prayer with us for a great move of God’s Spirit.
