36 Research Park Ct / Weldon Springs, MO 63304

Dear Partners in Missions and my friends,  
Greetings from S. Korea! Praise the Lord!

This Fall Semester in 2023 is another semester God did a wonderful work. We have fifteen Bible School students on roll. We thank God for answering our prayers. Thank you very much to those who've prayed for our Bible School Revival. God is faithful, gracious, and merciful.

In this fall three General Licensed young men were ordained, and one student graduated. God is so good. I also I mentioned in my previous PIM letter, Brother Park got enrolled in our UGST. He is studying hard right now.

For the last three years, seven and a half months, our local church prayer chain meeting with twenty-five people, has prayed from 9 AM to 9:30 PM with thirty minutes for each person. They have been very faithful.

Also, our local church evangelism, a team of 5 are witnessing on Saturdays in order to bring souls to the Lord. One soul is more precious than the whole world.

In September, I went to the states to attend our General Conference, however, I fell from the second floor to the first floor while I was going to go the bathroom. Of course, I was unconscious. It was absolutely a miracle by the Lord, that I have recovered completely! It was absolutely our God's grace.

I am so thankful for your prayers and for your partnership.

With much love, Sister E. J. Kim

Congratulations!
