While Sis Kline was doing her physical therapy for her knee in the pool. Kevin (recovering from a stroke) asked, Can I be baptized? We asked permission with the authorities at the pool, They said Go ahead. Kevin repented and was baptized in the wonderful Name of Jesus Christ! To God be the Glory!

1 Cor 3:6&9 "I have planted, Apollos watered; but God gave the increase...For we are labourers together with God:"
Sis Kline has been doing water therapy, to recover from the lingering effects of COVID-19. While witnessing to Kevin, (pool left) he was asking questions about God healing in our present day. I told Kevin, all you need is to have faith & believe that Jesus can heal. Right Now, raise your arm, in Jesus Name! He slowly raised his withered arm above his shoulder, then above his head, then totally straight up. A miracle in front of all of those present. Kevin began rejoicing & giving God Praise! Thank you, Jesus! A few months later, (pool right) he requested to be Baptized in Jesus Name!

Thank you to all our Faithful Partner in Missions supporters: Teaching, Preaching & Reaching- to establish people on an Apostolic foundation, to have continuous Church Growth & Revival. It is your sacrificial support & prayers which allow us to fulfill the call of God to "Go forth and reach the Lost". Thank you for investing into reaching Souls for the Kingdom of the Lord. May God bless you!
