

# Landaw Family update

Puerto Rico, Trinidad and Tobago

## Mayaguez, PR

God has blessed us throughout this process of starting the new work in Mayaguez, Puerto Rico.

About a year ago, we began having services in our home. Today, we have a building of our own, thanks to the help of giving churches in the United States and Puerto Rico.

Last year it was just our family. Today, we have 22 people in service.

Please continue to pray with us as we reach the the city of Mayaguez, Puerto Rico.

## Outreach in PR

The saints of the Mayaguez church went out and evangelized for a house service we had in the town of San Sebastián. This town does not have a church at this time. We had an excellent service with the help of some of our other churches, providing the music and preaching. A couple came to the service and prayed at the altar. We pray that God will bless the work done in this town, and we hope to have more outreach done in this area.

We hope to reach out soon in the areas of Isabella, Aguadilla, and Águada.

## Trinidad and Tobago

Trinidad and Tobago had their national conference in November. We are glad we could have Bro. Schwartz, our regional director, and his wife in Trinidad and for his ministry during the conference.

The Church in Trinidad and Tobago was able to have a time of recognition for Gary and Kristi Landaw (my parents), who served over 40 years as missionaries, with a large portion of that in Trinidad and Tobago. They retired in August of this year(2022) but continue assisting as they can. I want to say a special thanks for their ministry and the impact that they have had in Trinidad, Tobago, Puerto Rico, Cuba, and all over the Caribbean.

**Thank you for your continued prayer and support.  
Without you, none of this would have happened.**
