JASON & CORI LUCAS

SPRING 2023

On March 24th, we arrived safely in Tokyo! It was just in time to see the cherry blossoms, which bloom for only a few weeks each Spring. God has been so faithful and good to us on this journey, and we are excited to be a part of what God is doing in Japan. Thank you for every prayer you have prayed over us and for your faithful support!

*Our first service to attend in Japan was in the city of Akishima (western Tokyo) at Haijima UPC.*

Our JUPC National Missions Division posts weekly prayer points that focus on a specific prefecture of Japan. We would love for you to join us as we cover this nation of 127 million souls in prayer. Follow **@JUPC 日本国内宣教部 - Japan National Missions** on Facebook or **@jupc\_national\_missions** on Instagram to join us.
