

NEWS FROM TOKYO, JAPAN

Jason preaching at Haijima International Service

We were thrilled to present Exploring God's Word certificates to saints at Haijima UPC.

Cori received her Japanese Driver's License!

We celebrated the 80th birthday of Brother Kamura, a minister in the JUPC.

On a drive home from Osaka to Tokyo, we took a day to climb Mount Fuji, the highest peak in Japan. We want to say "a world of thanks" for your prayers and support.

CULTURAL NOTE

Mount Fuji is Japan's tallest mountain at 3,776 meters high. Fuji is only open to climb for about two months in the summer. Even with this restriction, it is the most-climbed mountain in the world!
