## Talofa Lava!

God has been doing amazing things in the Samoan Islands. We recently had the opportunity to travel to American Samoa where AIMers Zack and Alyssa Garcia ministered in Word and song and we experienced a sweet move of God.

We also had opportunity to discuss the reopening of the GATS Bible College in American Samoa. More on that to come!

## Easter Sunday

In Samoa, Easter is celebrated from Friday to Monday. You will see palm branches and crosses displayed all over the nation. Here is a picture of the children's skit displaying what Christ did for us through His death and resurrection!

## Pentecost Reborn Crusade

In February, Samoa experienced the "Pentecost Reborn" crusade with Bro. Robinette. God filled 266 with the Holy Ghost! 61 were baptized and 223 testified of miracles and healings! We were also honored to have the Prime Minister of Samoa in attendance and were blessed with the opportunity to pray for her.

## Apostolic Truth Bible College

We are coming to the end of the school year for our Bible school students. They have been working very hard and will soon be graduating! We are honored to be a part of something so essential to kingdom growth along with the help of the local leaders and AIMers.

## AIMer Spotlight

We are so blessed to have two AIM families currently in Samoa. Ben and Beth Bouren along with their 3 girls, Abigail, Eleanor, and Talia. Also, Zack and Alyssa Garcia. Both families have been heavily involved in the work here by teaching in the Bible school, ministering in the local churches, teaching Bible studies, helping with music, Sunday school and much more. We are so thankful for their willingness to serve. Samoa has been greatly impacted!
