We are thankful for what God has done in the Kingdom of eSwatini over the past few months. In February we held our annual General Assembly in which the UPCE elected Pastor Bongani Dlamini as our new National Superintendent. We are grateful for our previous Superintendent, Pastor Mike Taylor and for all of his years of service. Pastor Taylor has served in every national position in the UPCE. Both he and his wonderful wife are pillars in the church. We are a better because of his vision and passion for the truth, emphasizes on Bible School education, and love for the people of eSwatini.

Sunday, March 12th, we were appointed as Pastor of the United Pentecostal Church Mbabane (in the capital city). We continue to work through this transition process and are looking forward to the great things that are coming for the church and the city.

Easter weekend the UPCE held their 1st National Easter Conference since before the COVID pandemic. It was extremely exciting to see every church in the country represented during our 3 day and 4 night conference. We were blessed to have Pastor Tim Pickard of Toronto, Canada come and be our guest speaker. We are grateful for his timely ministry and the kindness he showed to our family.

Great things are in store for the United Pentecostal Church eSwatini!!
