

The Kingdom of eSwatini

Jonathan, Monica, Liam, and Kylie Parker

SPECIAL PROJECTS:

BIBLE SCHOOL

As we work towards establishing the eSwatini Apostolic Bible Institute into a full-time Bible School, we are needing to purchase a property and begin construction.

CHURCHES

We have several building projects currently taking place in eSwatini.

MK EDUCATION

MK Education helps fund Liam and Kylie's education while on the field.

BIBLE SCHOOL

OPERATIONS

This helps with funding the operation of the eSwatini Apostolic Bible Institute; printing textbooks, graduation, improvement of classrooms, etc.

Our 2nd deputation is in full swing! After returning to the US, we began our deputation travels throughout North America on February 1st. We have visited over 9 Districts to date and are grateful for the tremendous response to our burden for eSwatini and for the hospitality shown to our family. We are thankful for each one of our new *Partners In Missions* that we have gained and for all who have invested in our numerous projects.

The eSwatini Apostolic Bible Institute is currently operating as a part-time school in which we teach 6 introductory Bible courses. It is our goal to take E.A.B.I. from it's current state and establish it as a full-time Bible School. We are raising funds to purchase land and begin construction on a school soon as possible. Please fill free to donate to our Bible School project, number 221434.2201 or text **JPARKER to 71777** to donate directly to any of our projects. Thank you and God bless!
